

ORDINANCE NO. 15- 1465

**AN ORDINANCE TO AMEND THE WATER AND
SEWERS CHAPTER (CHAPTER 19) OF THE CODE
OF THE CITY OF DEARBORN BY AMENDING ARTICLE 1
ENTITLED "IN GENERAL"**

THE CITY OF DEARBORN ORDAINS TO:

**Amend Chapter 19 of the Code of the City of Dearborn by amending Article
1 to read as follows:**

ARTICLE 1. IN GENERAL

* * *

Sec. 19-5. - Water service to premises outside city limits.

* * *

- 4) The applicant and all persons claiming under or through him shall further agree to and shall pay to the city quarterly and within 21 days after the bill therefore is rendered by the city, a sewerage disposal fee based on the amount of water consumed on such premises, as determined by the quarterly reading of the water meter, such sewage disposal fee to be computed at the rate of \$38.80 per 1,000 cubic feet or fraction thereof, of water consumed, for all bills rendered on or after the effective date of this section.

* * *

Sec. 19-28. - Rates, when payable.

Water rates shall be paid quarterly. The following rates for water supply and service shall be charged on all bills rendered on and after the effective date of July 1, 2015.

The rate per MCF for water is \$21.10 and minimum quarterly basic service charge of \$14.05 plus a capacity charge of \$9.90, per equivalent factor based on the meter size as shown in the following schedule:

See Attachment #1

* * *

Sec. 19-29. - Sewage treatment rates.

- a) *Volume of flow.* The charges for sewage treatment shall be based upon water consumption, as indicated on the water bill and shall be billed quarterly. Such rates shall be computed on the basis of \$38.80 per MCF of water used and a quarterly basic service charge of \$35.12 per equivalent factors based on meter size as shown in the schedule in section 19-28. These rates will be effective on all bills rendered on or after July 1, 2015.

* * *

- c) *Industrial Waste Control (IWC) and High strength surcharge.* In addition to the aforementioned volume of flow rate of \$38.80 per MCF, specific industrial and commercial firms identified by the Detroit Water and Sewerage Department, and contributors of certain pollutants in concentrations which exceed normal sewage, will be surcharged quarterly. The surcharge rates established and adopted by the Detroit Board of Water Commissions and the Detroit City Council shall be passed through to the identified industrial and commercial firms with the same impact and effective dates as adopted by the City of Detroit.
