

DEARBORN

Ever Improving, *Always Home*

Operation Eyesore boosts neighborhoods by removing substandard housing and encouraging newly-built homes.

The City transformed obsolete commercial property on Michigan Avenue into the vibrant West Village.

The outdated Civic Center made way for the Ford Community & Performing Arts Center, focused on fitness, performances and engagement.

Dearborn Recreation & Parks offers more than 40 public parks, outdoor pools, Robert Herndon's Dearborn Hills Golf Course, the Dearborn Ice Skating Center (DISC), Camp Dearborn and the magnificent Ford Community & Performing Arts Center. The Center is a multi-faceted, multi-facility network of leisure, fitness, life enrichment and cultural arts activities.

The Center is filled with athletic equipment, a double gymnasium, two pools, a climbing wall, a walking track, free weights, and exercise rooms to accommodate fitness and dance classes.

Monthly passholder rates are available for Dearborn residents in the following categories:

Youths (ages 4-17), Individuals (ages 18-59), Seniors, and Families. Restrictions apply. Call 943-2350 for passholder information.

The Center also includes a comprehensive Senior Citizens Center with classrooms and a lounge; an impressive art gallery; and the incredible Michael A. Guido Theater, a better-than-Broadway theater with more than 1,200 seats. The Center houses the beautiful Hubbard Ballroom and many special rooms that are perfect for any occasion, from business meetings to wedding receptions.

City Services: 34 cents of your tax dollar

The City of Dearborn uses property tax dollars to provide high quality and comprehensive services to residents and businesses. Those City services are offered using just 34 cents of every dollar the City collects in property taxes. (The federally-mandated combined sewer overflow (CSO) debt millage equates to 7 cents of every dollar and is outlined separately here.) The other 59 cents of every tax dollar the City collects in property taxes is directed to other public agencies, like Wayne County and the public schools. Although the City is the collecting agent, it has no authority over how the 59 cents is used by other public agencies.

DEARBORN Ever Improving, *Always Home*

Dearborn Town Center

The Dearborn Town Center anchors the vital corner of Michigan Avenue and Schaefer with modern medical offices and other services. The City championed its construction through financial incentives to ensure that the east downtown would have a landmark project attractive to more customers and new residents. Its grand opening was in 2011.

After the Ward's company went out of business in the early 2000s, the closed Dearborn store fell into disrepair and took the shine out of the east downtown district.

DEARBORN *Ever Improving, Always Home*

Truck Plant

When constructed in the early 2000s with the endorsement and advocacy of the City, Ford Motor Company's Dearborn Truck Plant embraced environmentally-friendly components, notably the largest green roof on a manufacturing facility in the world, and new products that re-energized the 90-year-old Rouge Complex for the 21st Century.

Modern cabins that opened in 2012 instantly appealed to families who want to enjoy the lakes, activities and ambience at Camp Dearborn, but with more convenience, privacy and updated amenities, like indoor plumbing.

April

Family vacations have always been memorable at Camp Dearborn, but recent investments have refreshed the recreational opportunities for new generations and new expectations.

DEARBORN Ever Improving, *Always Home*

West Village

Transformed by the City in the 1990s, the commercial and courtyard plaza of West Village on Michigan Avenue in the west downtown now reflects a modern gathering place with popular destinations and condominiums.

A block of vacant buildings and struggling stores on Michigan Avenue between Howard and Mason made way for a revitalized business district.

Sharon Steel

Students enjoy a beautiful morning before entering the appealing McCullough-Unis School, which has an attractive design and a worthy purpose that strengthens the neighborhood.

June

The City used Brownfield Redevelopment Authority grants and other resources to tear down the abandoned Sharon Steel complex that plagued the nearby neighborhood. The Dearborn Public Schools later purchased the land.

DEARBORN *Ever Improving, Always Home*

4771 Walwit

The City directs most of its resources to neighborhood services and programs that keep residential areas appealing. A mature community, Dearborn still has houses built on 30 foot lots, as was common decades ago. Dearborn has been transforming its housing stock by buying and tearing down substandard homes and selling the lots for side yards to adjacent homeowners, as illustrated by these happy neighbors on Walwit Street, who now have extra space for gardening.

The aging house on Walwit appeared crammed into its lot. Its demolition opened up the space to the adjacent homeowners.

DEARBORN Ever Improving, *Always Home*

Georgetown Commons

The City revitalized an obsolete commercial area south of Michigan Avenue between Schaefer and Maple into Georgetown Commons, attractive condominiums that appeal to residents looking for low-maintenance convenience with the advantages of being near a downtown area.

August

In the 1990s, the site contained empty buildings with a limited future.

DEARBORN Ever Improving, *Always Home*

22060 Beech Street

When businesses want to invest in Dearborn, the City works on their behalf to provide appropriate resources, such as the application of Brownfield Redevelopment Authority grants, which help to transform obsolete buildings and rundown properties into new vibrant structures, like this medical office.

September

This boarded up building on Beech was an eyesore for the neighborhood.

Trash Collection

With the implementation of a new curbside trash and recycling program in July 2010, residents now use 96-gallon carts, which are picked up by trucks with mechanical arms. The carts' large capacity and attached lids reduce blowing litter, help residents manage their trash better and have inspired a dramatic increase in household recycling. The City also continues the collection of curbside yard waste in proper containers.

October

In the past, trash and recycling days in Dearborn sometimes led to litter in the neighborhoods and a temporary untidy look along the curb.

DEARBORN Ever Improving, *Always Home*

Severstal

Severstal North America invested \$1.5 billion to transform its Dearborn steel-making operations into a state-of-the-art manufacturing facility that now produces high-strength, low-weight steel for the auto industry. This dramatic revitalization of the 90-year-old plant preserves jobs and Dearborn's crucial industrial tax base, so the City actively supported the landmark project.

Henry Ford built the original steel plant in the 1920s.

DEARBORN Ever Improving, *Always Home*

The Center

Serving a population focused on fitness and seeking engaging and enriching activities, the Ford Community & Performing Arts Center offers a myriad of opportunities to stay in shape, learn something new, be entertained, experience culture and connect with families and friends.

December

Although Christmas displays and roller skating parties are remembered fondly, on a daily basis, the old Civic Center didn't resonate with energy, and by the 1990s was no longer meeting the needs of young families, teens or seniors.

Public Safety

CALL 911 FOR EMERGENCIES | Non-emergencies, call Police at 943-2241

Neighborhood Watch

- The Suspicious Activity Tip Line is 943-3030. Calls are anonymous.
- The Neighborhood Watch Program enlists the active participation of citizens to reduce crime, create alert neighborhoods, and encourage the reporting of suspicious activity.
- To file a non-emergency report, log on to www.cityofdearborn.org and follow the directions in the Public Safety section.
- Sign up to receive emergency alerts from the Dearborn Police Department at www.nixle.com.
- Find crime statistics by logging onto www.crimemapping.com.

Preparing For Emergencies

- Be prepared to take care of household needs without outside help for a minimum of three days. Create a disaster supply kit.
- Responsible family members should know where, when and how to shut off the electricity, gas and water supply. Have a fire extinguisher and know how to use it.
- For more information, visit www.fema.gov.

Safe Intersections

- Do not park within 20 feet of a crossing area or within 30 feet of a traffic control device. This keeps intersections clear so children and pedestrians are not hidden from approaching vehicles.

Fire Safety

- Install smoke detectors on every level of your home and outside of each bedroom. When you change your clocks, change your smoke detector batteries.
- Establish and practice fire escape drills.
- Never go back in a burning building once you have exited. Go to a safe meeting place.
- Never use gasoline as a cleaning agent.
- Clean lint from your dryer vent each time you use it. Don't leave your dryer running when you are not home.
- Never leave food cooking on a stove unattended.
- Never use charcoal grills indoors, inside a garage or on a balcony.

Snow Removal

Move Parked Vehicles When Plows Are Out

Snow plowing is more effective and is safer when parked vehicles are off the roads. So you should remove your parked vehicles each time a heavy snowfall is predicted. If the City declares a snow emergency, then you **MUST** remove your parked vehicles from the street or you could be ticketed and your vehicles could be towed. Police do not issue warnings.

In general, a snow emergency will be declared when it is predicted that snowfall will exceed 3 inches or more over a short period and other weather conditions are unfavorable.

Remember, City ordinance prohibits parking across the sidewalk at any time.

Snow Emergency Alerts

When a snow emergency is declared, the City contacts TV and radio stations. Snow emergencies are also posted on the City's website, www.cityofdearborn.org and on CDTV, which is cable channel 12 on Comcast and cable channel 10 on WOW, and channel 99 on AT&T Uverse. Or you can check the Snow Emergency Hotline: 943-2444.

The City also uses Twitter messages for snow emergencies. Sign Up at Twitter.com to follow news from "citydearborn." Snow emergencies may also be delivered via text or email messages from the public safety information system know as Nixle. Sign up for alerts at Nixle.com

You may also hear the City's emergency warning sirens when a snow emergency is declared.

Snow Emergency Hotline: 943-2444

Public Service Days

Keep parked vehicles off the streets 8am–4pm every trash day April–November

When are Public Service Days?

Public Service Days occur on every trash day in your neighborhood during the months of April through November. On your trash day during those months, you must keep your parked vehicles off your neighborhood streets from 8am–4pm. You also must keep your trash cans, yard waste containers and recycling carts off the street.

What does the City do on Public Service Days?

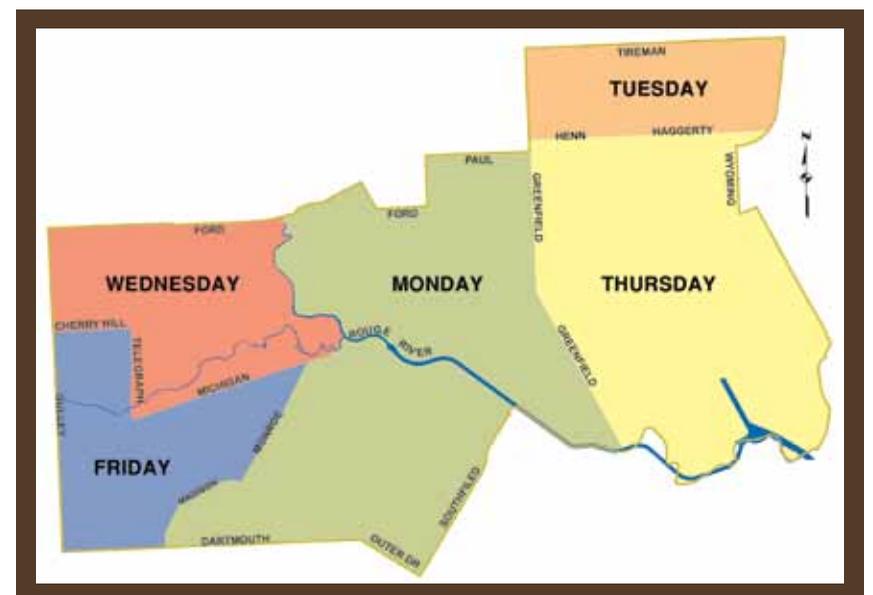

Public Service Days allow the City to provide services like trash pick up, street sweeping, tree trimming, sewer maintenance and loose leaf collection in a safe, effective manner.

How do I know what Public Service Day section I live in?

Public Service Days sections are the same as your neighborhood's trash pickup sections. See the map on the right.

Where can I get more information about Public Service Days?

Visit www.cityofdearborn.org or call 943-2886. For parking issues, call 943-2276.

Leaf Collection Information: For updates on the 2013 Leaf Collection program, call 943-2107 or visit www.cityofdearborn.org.

Rules For Trash, Recycling And Yard Waste

Call 943-2085 for details or visit www.cityofdearborn.org

TRASH COLLECTION IS EVERY WEEK

Use 96-gallon or 64-gallon gray cart

- Trash carts must be set out on the easement, not in the street, after 5pm the night before collection day or by 7am on trash collection day.
- Leave 3 feet between your trash cart and your recycling cart with the cart handles facing your house. Make sure your carts are not blocked by parked cars, fire hydrants, trees or utility poles. A truck with an automated arm will then be able to safely and efficiently collect your trash from the curb.
- Trash must be bagged and placed inside the gray carts.
- On occasion, you may place additional items in appropriate containers or plastic bags for pickup. Do not put garbage bags on top of the gray cart. If your household regularly generates more trash than fits in the cart, you may be asked to lease an additional cart for a onetime cost. There is no fee for weekly pickup of an additional gray cart.
- Do not overload the cart. Always keep the lids of your carts closed.
- Do not put these items in your cart (partial list): paint, solvents, glue, car batteries, automotive parts, tires, acids, anti-freeze, gasoline, gas cans, transmission fluid, disposable LP gas tanks, chemicals, oil, hot ashes, hazardous waste, pesticides, medical waste, cement, rocks, bricks, poisons, large amounts of remodeling or demolition materials.
- Remove your empty carts from the curb by midnight at the end of your trash day. Store them inside or behind your garage, or behind your house. Try to keep them out of sight from the front sidewalk and away from your neighbors' houses.

BULK ITEMS

Place your bulk items for disposal at the curb on your trash pickup day. A separate truck will pick up your bulk items by the end of your trash day. Acceptable bulk items include:

- Limited amounts of household construction materials, no larger than 4' X 4' in size. Materials must be bundled, tied or bagged and weigh no more than 35 pounds. Limit 5 per week or 20 per year.
- Household furniture. Large move-outs do not qualify.
- Household appliances. Doors must be off refrigerators and freezers.
- Carpet/padding. Cut to 4' lengths. Carpet must be rolled, tied (or taped) and weigh no more than 35 pounds each. Limit 10 rolls per week or 30 per year.

SPECIAL PICKUP CHARGES

Special pickup charges of a minimum of \$55 will apply to:

- Large move-outs.
- Excessive construction materials. Private contractors are responsible for hauling away their own debris. Roll off Dumpsters may be required, at the homeowner's expense.
- Improperly bundled trash, yard waste and construction material.
- Dirt, sod, sand, concrete and bricks.
- Firewood, logs and stumps.
- Bathtubs, sinks, laundry tubs and toilets.
- Any automotive parts.

KEEP YOUR GRASS CUT TO SIX INCHES OR LESS

City ordinance requires property owners to regularly cut their grass and control weeds.

Grass must never be higher than six inches. Failure to follow this rule will result in penalties.

DISPOSAL AT THE DEPARTMENT OF PUBLIC WORKS YARD 2951 Greenfield

The DPW Yard is open 8am–1pm the third Saturday of each month for disposal of items not picked up at the curb. Residents are responsible for unloading their own vehicles.

Items accepted at the DPW yard are: furniture and other non-hazardous household materials from large move-outs, dirt, sod, sand, concrete and bricks, firewood, logs and stumps, bathtubs, laundry tubs, sinks and toilets.

A partial list of materials not accepted at the DPW yard includes: fuel, tires, ammunition or refrigerators, microwaves or other appliances.

Remember, hazardous materials are not acceptable for disposal either at the curbside or at the DPW Yard.

CURBSIDE YARD WASTE/BRUSH DISPOSAL

The curbside yard waste program runs from March 18 through December 13 (weather permitting)

- Yard waste includes grass clippings, weeds, leaves, and brush trimmings. Remove dirt from roots.
- Do not mix fruits, vegetables or animal droppings with your yard waste.
- Place grass, leaves, weeds and garden waste into yard waste paper bags or in your own 20–32 gallon container. Containers must be clearly marked with a yard waste sticker. Free yard waste stickers are available at all Dearborn libraries, the Public Works Yard and the Mayor's Office.
- Do not use plastic bags or cardboard boxes for yard waste.
- Brush must be less than 3 inches in diameter, be 4 feet or less in length, tied with heavy cord or rope and weigh no more than 35 pounds. Remove root balls from shrubs and bundle same as brush. Unbundled or improperly bundled brush requires a special pickup.

HOUSEHOLD HAZARDOUS WASTE

The Wayne County Department of Environment will host several free Household Hazardous Waste Drop Off Days in 2013. For information, call (734) 326-3936.

Never set hazardous material at the curb. It is dangerous to do so.

Hazardous materials include: paint, furniture polish, bathroom cleaners, antifreeze, motor oil, lawn and garden chemicals, pesticides, poisons, batteries, fluorescent light bulbs, mercury containing thermometers, thermostats, floor care items, cell phones, smoke detectors and pharmaceutical waste.

RECYCLING COLLECTION TAKES PLACE EVERY OTHER WEEK

Curbside recycling is mandatory in Dearborn. The lid of your green recycling cart is stamped on the outside with either an "A" or "B." Every household is on an "A" or "B" week schedule.

- Recycling is every other week, according to your "A" or "B" week schedule. The schedule is found below, and in every month of this City of Dearborn calendar.
- Put your green recycling cart at the curb on your trash day only during your designated recycling week.
- Place all acceptable clean recyclable materials loose in the green cart.
- Keep recycling cart lids closed.

MATERIALS FOR YOUR GREEN RECYCLE CART

- Cardboard and paper bags (flatten cardboard and cut into pieces)
- Junk mail (envelopes, flyers, brochures, postcards, etc.)
- Paperboard (no wax coated paperboard)
- Newspapers (remove bags and rubber bands)
- Magazines, catalogs, phone books, office paper
- Steel, tin and aluminum cans
- Kitchen cookware
- Plastic Jugs/Bottles (No. 1 and 2)
- Household plastic (No. 3 through 7)
- Plastic bags
- Glass

NOT ALLOWED IN YOUR RECYCLING CART (partial list)

- Wax coated paper milk or juice cartons
- Styrofoam containers/packing
- Garbage
- Compost or food waste
- Electrical cords or tires

TRASH HOLIDAYS IN 2013

After the following 2013 holidays, trash pickup will be delayed one day for the remainder of the week: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day.

From The Mayor

John B. O'Reilly, Jr.
Mayor

Dear Friends:

In this year's edition of the City of Dearborn Calendar and Guide to City Services we highlight projects that illustrate how our town has progressed in recent years, while still being true to our solid community foundations.

We value traditions in Dearborn and respect our history. Yet we also realize that change is inevitable, and we need to pursue opportunities that are going to benefit our businesses and residents now and in the future.

We want our community to keep evolving. And one of the best ways to make that possible is to build on our historical strengths, as we welcome new businesses, new residents and new developments.

We also want our City services to continue to evolve. That can be achieved by developing innovative ways to deliver services, even as we face ongoing budget challenges. With any change we initiate, our goal is to preserve Dearborn's standards.

As you look through this calendar, I hope you find the topics interesting, and the resources, like the listing of City phone numbers, useful. For updates of events throughout the year, please visit www.cityofdearborn.org.

Best wishes for a positive and productive 2013.

Sincerely,

John B. O'Reilly, Jr.
