## City Services: 33.5 cents of your tax dollar

The City of Dearborn uses property tax dollars to provide high quality and comprehensive services to residents and businesses. Those City services are offered using just 33.5 cents of every dollar the City collects in property taxes. (The federally-mandated combined sewer overflow (CSO) debt millage equates to 6.3 cents of every dollar and is outlined separately here.) The other 60.2 cents of every tax dollar the City collects in property taxes is directed to other public agencies, like Wayne County and the public schools. Although the City is the collecting agent, it has no authority over how the 60.2 cents is used by other public agencies.

### Where Your Tax Dollars Go

- 34.8 Dearborn Schools / State Education Tax
- 5.9 Henry Ford College
- 1.7 Wayne County Transit Authority
- 11.8 Wayne County
- 5.1 Wayne County Schools
- .4 Huron Clinton Metro Authority
- .2 Zoo Authority
- .3 DIA Authority
- 6.3 City Sewer System Voted Debt (CSO)
- 33.5 City Services

**100.00% TOTAL**

Dearborn Schools / State Education Tax 34.8 Cents

Wayne County 11.8 Cents

City Services 33.5 Cents

### How Your City Services Taxes Are Spent

- 67.0 Public Safety
- 6.9 General Government
- 9.0 Public Works
- 7.8 Recreation & Culture
- 1.2 Community Improvement
- 8.1 Other Debt Service

**100.00% TOTAL**

# JANUARY

Health has to do with the body and the mind. The Dearborn Unified High School Hockey team exercises both. The team, with players from Dearborn High and Edsel Ford High, made Academic All-State during the 2015-16 season while holding their own in the highly competitive Michigan Metro High School League.

## Happy & Healthy in Dearborn

A 16 oz. bottle of cola contains 27½ sugar cubes. Of all the junk foods, sugar-sweetened beverages are the most detrimental to your health. Carry a reusable water bottle with you at all times and refill it throughout the day. The bottle serves as a reminder to stay healthy and hydrated.

# FEBRUARY

For those of all ages and fitness levels, a healthy lifestyle is just a walk away. The Dearborn Senior Services Walking Club meets three times a week year round at the Ford Community and Performing Arts Center to reap the benefits of staying active: strong bones and muscles, reduced risk of cardiovascular disease, and improved mood, to name a few. Just show up with your walking shoes and \$1 to cover the fee.

## Happy & Healthy 🍏 in Dearborn 🍏

February is national grapefruit month, offering well-deserved recognition to a fruit rich in Vitamins C, A, E, B, K, potassium, calcium, and phosphorus. Grapefruits can help prevent diseases such as cancer and diabetes. In addition, the citrus fruits can curb overeating. Experts say eating half of a fresh grapefruit before meals correlates to significant weight loss!

# MARCH

A healthy environment leads to healthier lives. Recycling is one way to take care of the Earth, and the City of Dearborn and Dearborn Public Schools began a pilot program in 2016 to increase recycling in academic buildings. Bryant Middle School and Long Elementary were among the first to embrace the expanded opportunity to reduce, reuse and recycle.

March 2017

# APRIL

Staying happy and healthy sometimes can be as easy as child's play. In 2016, the City dedicated a 3,300-square-foot playscape at Crowley Park, adding to other playground equipment and a seasonal splash pad at the site, and children from the neighborhood and from Long Elementary School tested it out with enthusiasm. The city has more than 40 parks, which means plenty of opportunities to swing, slide, climb and even twist and shout.

## Happy & Healthy 🍏 in Dearborn 🍏

Burning body fat and lowering your body mass index (BMI) can be achieved by steadily exercising on an empty stomach early in the morning. If you cannot carry a conversation during exercise, you are overworking. Incline walking at 3-3.5 mph is an effective way to exercise.

# MAY

Bicycling can be enjoyed by people of all ages and fitness levels, and is a great family activity. Touring our city's tree-lined streets at a leisurely pace is both scenic and healthy. It is possible to do that every Wednesday beginning in May, when the Healthy Dearborn Walk and Rolls launch from city parks throughout our community. Tune up your bike now, or stretch your legs, to be ready for the weekly fun.

# JUNE

Riding tricycles and petting puppies, kids see Dearborn's Safety Town program as the ultimate recess. But at the same time they learn valuable lessons about protecting themselves from harm from weapons, fire and electricity, and staying safe on sidewalks and streets. The program, sponsored by the Dearborn Outer Drive Kiwanis, runs in June and is open to children ages 4-6.

## Happy & Healthy in Dearborn

Grill "fat-sensibly" in the summer months. Avoid the highly saturated fat in marbled meat and instead go for the healthier grilled fish or chicken breast. Go green - and every other color - with fruits and vegetables. Choose whole grain, high-fiber rolls and breads, and try to cut back on commercially baked pastries to preserve your health!

# JULY

Dunworth Pool at Levagood Park is a great place for avid swimmers and a perfect site for competitive meets. Along with all the outdoor pools in the city, it's also a favorite destination for summertime fun. Young children can enjoy the pools and cool off at the city's splash pads, just like the group of friends shown below.

## Happy & Healthy in Dearborn

For the first 15 minutes of a workout, your body is only burning sugars and carbs. At 30 minutes, the human body enters the fat-burning zone. This is a reminder to keep pushing through your exercises!

# AUGUST

Dearborn's Gateway Trail leads you on a picturesque journey through nature and the campuses of Henry Ford College and the University of Michigan-Dearborn. How fast you take that journey is up to you. The Martian Marathon in April give serious athletes the chance to compete and the Homecoming 5K in August lets even casual runners enjoy the outdoors. The popular trail was expanded to reach Ford Field via Brady in 2016.

## Happy & Healthy 🍏 in Dearborn 🍏

### Health Tip #8

Drinking water at the correct time maximizes its effectiveness on the body. Drinking two glasses of water after waking up assists in activating internal organs, digestion and blood pressure. Also, one glass of water before bed aids in preventing strokes and heart attacks.

# SEPTEMBER

Beyond its beauty, Dearborn's diverse nature also offers a learning opportunity. The University of Michigan – Dearborn's Young Naturalist Program has used the campus's Community Organic Garden to cultivate young minds for over two decades. The program, hosted by the Environmental Interpretive Center, pairs students and alumni with kids to help them discover the goodness of homegrown food and the wonders of nature.

## Happy & Healthy in Dearborn 🍏

### Health Tip #9

Fall is harvest time for many fresh foods. Always strive to make half your plate fruits and vegetables, and consider grabbing fruit to eat on the go. Eating fruits and vegetables can help manage your weight and protect from chronic diseases including stroke and certain cancers.

# OCTOBER

It is a refuge during hot summers and a sight to behold during the fiery color changes of fall. The Rouge River is an oasis running right through the heart of Dearborn. Cast your lures, row your canoes and dip your toes now, before the winter comes. Its serenity, however, can be enjoyed year round.

## Happy & Healthy 🍏 in Dearborn 🍏

One in 8 women will be diagnosed with breast cancer in their lifetime. The best protection is early detection and yearly mammograms after the age of 45. Factors that can help lower the risk of breast cancer include exercising, maintaining a healthy weight, and abstaining from smoking and alcohol. *(Source: Healthy Dearborn Coalition and American Cancer Society)*

# NOVEMBER

The Healthy Dearborn Coalition wants workplaces to value employee wellness opportunities. The City of Dearborn encourages employees to walk regularly through the municipal campus, and also hosts an Employee Wellness Fair in the fall, with educational displays and fitness challenges. Social interactions for mental health and good nutrition are also emphasized.

## Happy & Healthy in Dearborn 🍏

### Health Tip #11

Humans spend 1/3 of their life sleeping. As daylight-saving time ends, do not be discouraged by the shortness of days. Instead, use this time to stock up on sleep. Aside from improving your mood, getting enough sleep helps prevent chronic disease and promotes overall health.

# DECEMBER

Take a seat and get moving. Really. Chair exercises and chair yoga classes offered by Dearborn's Senior Services are great opportunities to stay in shape, especially for those with limited mobility. Senior residents have access to these classes and more by visiting the Ford Community and Performing Arts Center and paying a \$3 fee per class or \$30 per month.

## Happy & Healthy in Dearborn

Low-impact exercises allow for great workouts while preventing strain and muscle breakdown. Do not let limited mobility or pain stop you from exercising. Chair exercises, water aerobics and swimming are great low-impact ways to stay active.

# Dearborn Residents Take Pride in Caring for Their Houses, Lawns and Gardens

[www.cityofdearborn.org](http://www.cityofdearborn.org)

The City encourages property owners to take pride in the look of their homes and yards. Well-tended lawns and gardens and well-maintained houses add to the appeal of Dearborn neighborhoods. They also strengthen property values, which benefits people economically, in addition to providing a nice quality of life. Excellent examples of home owners who take pride in their property are found in the photographs on this page. Comprehensive rules for maintaining property in Dearborn can be reviewed at [www.cityofdearborn.org](http://www.cityofdearborn.org). To help everyone meet Dearborn's basic standards, here is a summary of some of the most important tasks.

*Nancy and George Miko of Olmstead stay on top of their chores so that their produce garden is well-maintained.*

## Grass and landscaping

- Keep grass and weeds cut to six inches or less. This includes trimming along all fence and property lines and easements.
- Trim trees, bushes and landscaping so that they are not in the way of people walking on the sidewalk or vehicles driving in the street.
- Gardens for vegetables and fruits must be in the back yard, not the front yard.

## Sidewalks

- Make sure your sidewalks are clear of snow and ice in the winter, and leaves in the fall.
- Don't park your vehicles across sidewalks.

## Keep your property free of "junk"

- Don't store "junk," like cars parts, motors, appliances, used wood, bricks, or discarded furniture on your lawn or porch.
- Don't store recreational vehicles, trailers, and boats on your property.
- Don't park on grass.

*Andy Sarna of Snow makes sure to edge his lawn, as well as mowing it.*

## No litter allowed

- Please pick up litter on your property, even if it doesn't belong to you. Pitch in to keep our City beautiful by picking up litter in your neighborhood.

## Report graffiti

- The City addresses unsightly graffiti promptly. Call Neighborhood Services at 943-2161.

## Building permits

- Check with the Property, Maintenance and Development Services Department at 943-2442 to see if your home construction project requires a building permit.
- Permits and inspections ensure that safety is maintained and building codes are followed. Construction work done properly means neighborhood standards are preserved.
- If you believe construction work is taking place without a permit, call 943-2460 during business hours, or 943-3030 at other times.

*Walter Bankwitz of N. Rosevere keeps his flower garden looking good.*

*Barbara Anderson of Outer Drive finishes her mowing by sweeping up the grass clippings.*

*Latife Ghotime of Sylvan is proud of her showpiece flower garden.*

*Home owners should rake their leaves from the sidewalk, and sometimes volunteers can help, like these teenagers from the Dearborn Key Club.*

*Tony Wade of Rowe uses a manual mower to cut his grass in an environmentally-friendly way.*

# Information on Trash, Recycling and Yard Waste Collection

For updates on Sanitation Rules, visit [www.cityofdearborn.org](http://www.cityofdearborn.org) or call 313-943-2433.

Keeping our community clean and attractive is everyone's responsibility, which is why the City of Dearborn offers convenient curbside collection services. Use this guide to take full advantage of the services.

## The Basics for Trash Collection

- Trash must be bagged and placed inside of the gray carts.
- Trash must be bagged. Loose trash creates a mess.
- Trash in cardboard boxes will not be picked up.
- Please, do not overfill the gray cart or pack trash in too tightly. Always keep your cart lid closed.

*Place your trash and recycling carts correctly at the curb.*

## The Basics for Recycling Collection

- Recycling is mandatory.
- Always use your green cart for recyclable material.
- Do not bag recyclable materials.
- Recycling is picked up every other week on an A or B schedule. Check the schedule on page 29 for recycling dates.

## The Basics about Materials For Your Recycling Carts

- Cardboard (Clean cardboard. Break down and flatten all boxes).
- Paper (junk mail, newspaper, magazines, phone books, and office paper. Not napkins or tissue paper.)
- Household metal (cans made of steel, tin and aluminum, kitchen cookware).
- Household plastic containers. (No. 1-7).
- Glass jars and bottles.
- Styrofoam is NOT recyclable material in Dearborn.

## The Basics on Collection Day

- Place carts between the sidewalk and the curb in front of your home, three feet apart, after 5 p.m. the night before or by 7 a.m. on your trash collection day.
- The handles of your carts should face the house.
- Once your trash has been collected, remove your carts from the curb by midnight at the end of your trash day.
- Be mindful of obstructions such as trees, hydrants and wires.

## Extra Trash, Extra Recycling and Additional Carts

- On occasion, residents are allowed to put up to four bags of trash outside of the trash cart on collection day. If this happens frequently, City ordinance requires homeowners to lease an additional trash cart at a one-time cost of \$55. Call 943-2433 to obtain an additional trash cart.
- Residents who frequently generate extra recycling will also be required to lease an additional cart.

*Trash and recycling trucks can only pick up carts, not loose items.*

## The Basics about Cardboard

- Cardboard is recyclable, so place it in your green recycling cart.
- All cardboard must be broken down so that it fits in your recycling cart.
- The only way for the recycling truck to pick up cardboard is if it is inside the recycling cart.

## Disposing of Seasonal Decorations

- Seasonal decorations, such as hay/straw bales, pumpkins, squash, gourds, corn stalks and other organics should be bagged and placed inside your gray trash cart.

## The Basics about Yard Waste Disposal

- The curbside yard waste collection program runs from March 13-December 8, 2017.
- Yard waste is grass clippings, weeds, leaves, and trimmings from bushes.
- Place yard waste in paper landscape bags or in your own 20-32 gallon container. Containers must be clearly marked with a yard waste sticker. Free yard waste stickers are available at all Dearborn libraries and the Dearborn Administrative Center.
- Yard waste bags or containers must not be heavier than 35 pounds.
- Do not use plastic bags or cardboard boxes. These will not be collected.

*Put yard waste, like grass clippings, in paper yard waste bags or in 20-32 gallon containers.*

## Limits on the Number of Yard Waste Bags and Containers

- Households are limited to a combined 20 yard waste paper bags, yard waste containers, or bundles of brush per week.
- Branches and trimmings from shrubs must be cut into a manageable size and bundled into a manageable weight.

## The Basics about Bulk Items

- Households are limited to 5 bulk items per week and may set out a maximum of 20 bulk items per year.
  - Acceptable bulk items include:
    - Household furniture of a manageable size.
    - Residential household appliances. Doors must be off refrigerators or freezers.
  - Carpet and padding must be cut and taped or tied into bundles in 4 foot rolls and weigh no more than 35 pounds each. Households are limited to 10 rolls per week, a maximum of 30 rolls per year.

## The Basics about Special Pick-Ups

Excessive trash, yard waste, recycling or bulk items require a special pick-up. Please call 943-2433 to schedule a special pick-up. A minimum charge of \$55 will apply.

## Free Monthly Disposal Day at the DPW Yard, 2951 Greenfield

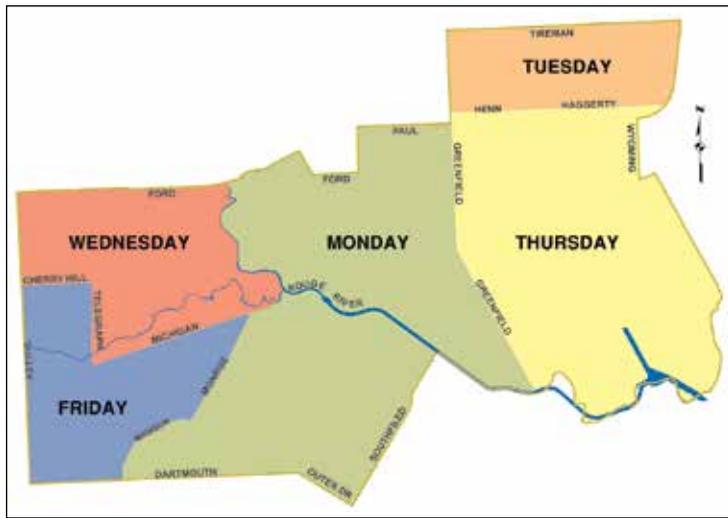

The DPW Yard is open 8 a.m.-1 p.m. the third Saturday of each month (except for holidays) for residents to bring items not picked up at the curb. Hazardous materials are not allowed. For information, call 943-2433.

## The Basics of Household Hazardous Waste Disposal

Wayne County will host several household hazardous waste drop off days in 2017. For information, call 734-326-3936. Never place hazardous material in your cart or at the curb!

## 2017 Holiday Collection Schedule

In 2017, there will be no trash collection on the following holidays, and the rest of that week's collection will be one day later than usual. This will occur the week of New Year's Day, Memorial Day, Fourth of July, Labor Day and Thanksgiving.

**How do I know what Public Service Day section I live in?**  
Public Service Days sections are the same as your neighborhood's trash pickup section. See the map above.

## Public Service Days

Keep parked vehicles off the streets 8 am-4 pm every trash day mid-March – mid-December.

### When are Public Service Days?

Public Service Days occur on trash days in your neighborhood beginning March 13 and lasting until December 15. On your Public Service Day, you must keep your parked vehicles off your neighborhood streets from 8 a.m. to 4 p.m.

### What does the City do on Public Service Days?

Public Service Days allow the City to provide services like trash collection, street sweeping, tree trimming, sewer maintenance and loose leaf collection in a safe, effective manner.

### What are my responsibilities on Public Service Days?

- You must keep your parked vehicles off the street from 8 a.m. to 4 p.m. on your neighborhood's Public Service Days, even if your trash has already been picked up.
- You could be ticketed if you park on the street during Public Service Days in your neighborhood. Your vehicle may also be subjected to towing.
- You also must keep your trash cans, yard waste containers and recycling carts off the street during Public Service Days, and throughout the year.

In addition, it is your responsibility not to park on the street in other City neighborhoods during their Public Service Days.

### Where can I get more information about Public Service Days?

Visit [www.cityofdearborn.org](http://www.cityofdearborn.org) or call 943-2886. For parking issues, call 943-2276.

## Snow Removal

### Move Parked Vehicles Off The Street When Plows Are Out

Snow plowing is more effective and safer when parked vehicles are off the roads. So you should move your parked vehicles off the street each time a heavy snowfall is predicted. If the City declares a snow emergency, then you MUST remove your parked vehicles from the street or you could be ticketed and your vehicles could be towed. Police do not issue warnings. In general, a snow emergency will be declared when it is predicted that snowfall will exceed 3 inches or more over a short period and other weather conditions are unfavorable.

### Pilot parking program during snow emergencies

The City once again will be offering a temporary parking option during snow emergencies on designated streets for residents in neighborhoods in southeast and northeast Dearborn. Signs have been posted on the streets available for temporary parking during snow emergencies. Visit [www.cityofdearborn.org](http://www.cityofdearborn.org) for full details or call 943-2285.

### Snow Emergency Alerts

When a snow emergency is declared, find out via: Snow Emergency Hotline: 943-2444, the City's emergency warning sirens, TV and radio news reports, [www.cityofdearborn.org](http://www.cityofdearborn.org), Nixle alerts (sign up at Nixle.com), Facebook (cityofdearborn), Twitter (cityofdearborn) and CDTV.

## Leaf Collection Information

For updates on the 2017 Leaf Collection program, call 943-2107 or visit [www.cityofdearborn.org](http://www.cityofdearborn.org).

## From The Mayor

Dear Friends:

*The City of Dearborn takes great pride in being a welcoming community and promoting opportunities for our residents and visitors to be active and engaged. This calendar showcases some of the many ways to stay fit and well throughout each season of the year.*

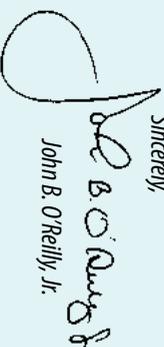

**John B. O'Reilly, Jr.**

*In fact, the theme of our 2017 calendar is "Healthy and Happy in Dearborn," which is in line with the Healthy Dearborn initiative organized by the nonprofit Beaumont Health, the City of Dearborn, the Dearborn Public Schools and other community partners. The coalition wants to promote the overall health of our city, and is focusing on these five areas: healthy schools, healthy workplaces, healthy foods, healthy at play and healthy transportation.*

*Listed each month are numerous activities for all ages. Enjoy browsing at the Farmers Market, canoeing in the Rouge River, running on the Gateway Trail, taking a class at our Ford Community & Performing Arts Center, or biking in our neighborhoods. The photos in the calendar are a testament to how accessible healthy opportunities are in Dearborn.*

*And, as always, you will also find in this calendar phone numbers to reach us, and information about how your tax dollars are allocated for the City services you depend on.*

*I look forward to seeing you around our City at the many great events we have planned. Best wishes for a healthy and exciting 2017!*

Sincerely,  
  
John B. O'Reilly, Jr.
