Additional booths may be granted for one festival-only, if the following conditions apply: If space is still available after the deadline passes for returning groups to make their decision, the space first will be opened up for applications from other Dearborn-based nonprofit groups. A waiting list may be created each calendar

year, prior to the deadline for returning groups, and space will be filled on a first-come, first-served basis. If space remains after that process for new organizations, returning groups may be granted an additional booth(s) for the current year's festival only. Wait lists expire each year.

One booth is allowed per group in the Community Tent, unless approved by the Festival Committee.

To ensure the safe and controlled sale of concession goods, the following rules shall be enforced:
