mayor's note

Dearborn offers a variety of opportunities for staying active, having fun and expanding interests that are affordable and easily accessible year round.

Many outstanding recreational activities are offered through partnerships between the City of Dearborn Department of Recreation and Parks and well-run nonprofit

community organizations that are recognized in this brochure.

Year round, there are many options for group or individual recreation and cultural activities at the Ford Community & Performing Arts Center. Visit for a day or get a monthly membership.

Our indoor aquatics center features a lap pool for those who wish to work out, and a Jacuzzi, lazy river and slides for more leisure-minded swimmers. The Center has a climbing wall for the more adventurous, basketball courts for team sports, a fitness center, and an indoor running and walking track to keep up the pace without worrying about snow and ice.

But if you like ice, there's plenty of smooth surface at the Dearborn Ice Skating Center (DISC), which is open year round for skating.

Interested in art, music or theater? Classes and workshops are available through the Cultural Arts Program at The Center. And for an afternoon or evening of entertainment, check out the season program of shows in the world class Michael A. Guido Theater or visit an exhibit in the Padzieski Gallery.

As warmer weather approaches, tennis, softball, baseball, and soccer teams will form and the Robert Herndon's Dearborn Hills and Mystic Creek Golf Courses will open to help you and your family enjoy the outdoors.

I encourage you to take full advantage of all Dearborn has to offer to stay active and healthy!

Sincerely,

John B. O'Reilly, Jr.

Mayor, City of Dearborn

The Dearborn Recreation & Parks Department is one of only 88 agencies in the United States and just the second in Michigan to earn national accreditation from the Commission for Accreditation of Park and Recreation Agencies (CAPRA).
