Dearborn Community Fund announces two grants at recent “You Are The Stars” benefit event

DEARBORN, Mich. – The non-profit Dearborn Community Fund recently announced that it has awarded cultural and recreational grants to two local organizations.

The mission of the Dearborn Community Fund is to provide resources for arts, cultural and recreation programs in the greater Dearborn community. The grant awards were announced at The Fund's March 7 “You Are The Stars” benefit event at Dearborn's Ford Community & Performing Arts Center.

One of the grants is to the Dearborn Symphony, to fund its children's concert. The other is to the Dearborn Recreation Department, to help fund a planned children's playscape project at Levagood Park.
