HISTORIC DEARBORN

CITY OF DEARBORN 2023 CALENDAR
Dear Residents,

It’s my pleasure to present you with the 2023 Dearborn City Calendar. This year’s theme of “Historic Dearborn” honors not only our city’s history, but also the people who do the important work of historical preservation. For decades, the Dearborn Historical Museum has stood at the forefront of this work, bringing award-winning educational and cultural programming to our city. On the cover, you will see the Dearborn Historical Museum Commandant’s Quarters, the oldest building in Dearborn in its original location. In the heart of our west downtown, it stands as a reminder of the importance of knowing our history, for history is both a clock and a compass. By knowing where we’ve been, and learning from our past, we can point to the future we want and steadfastly pursue it.

As we strive together to shape Dearborn’s future, we are committed to using history as a guide. And there is no guide more brilliant than our very own Jack Tate, Director of the Dearborn Historical Museum. With over half a century of service to Dearborn, Jack’s impact on our city’s cultural life is immeasurable, and whenever we speak, I am left with the impression that he’s just getting started. On behalf of the City of Dearborn, I’d like to thank the entire Museum team for their excellent work in keeping our city’s history alive.

To the residents, I hope this calendar serves as one more tribute to the civic pride you have created. Thank you for choosing Dearborn as your hometown. Many of the great moments we’ve enjoyed — some of which are captured on the ensuing pages — owe to your enduring commitment to Dearborn. And it is that commitment that drives us to serve you each and every day.

Yours in Service,

TRASH, RECYCLING, AND YARD WASTE COLLECTION

For updates on Sanitation Rules, visit www.cityofdearborn.org or call 313-943-2150.

TRASH COLLECTION
• Trash must be bagged and placed inside of the gray carts. Loose trash creates a mess.
• Trash in cardboard boxes will not be picked up.
• Please, do not overfill the gray cart or pack trash in too tightly. Always keep your cart lid closed.
• Trash on the ground is a health hazard and may attract rats.

RECYCLING COLLECTION
• Recycling is mandatory.
• Always use your green cart for recyclable material.
• Do not bag recyclable materials.
• Recycling is picked up every week.

MATERIALS FOR YOUR RECYCLING CARTS
• Cardboard (clean cardboard. Break down and flatten all boxes).
• Paper (junk mail, newspaper, magazines, and office paper. Not napkins or tissue paper).
• Household metal (cans made of steel, tin and aluminum, kitchen cookware).
• Household plastic containers (No. 1-7).
• Glass jars and bottles.
• Styrofoam is NOT recyclable material in Dearborn.
• Any material not mentioned above should not be put in your recycling cart.

COLLECTION DAY
• Place carts between the sidewalk and the curb in front of your home, three feet apart, after 5 pm the night before or by 7 am on your trash collection day.
• Once your trash has been collected, remove your carts from the curb by midnight at the end of your trash day.
• Do not put carts in the street.

DISPOSING OF SEASONAL DECORATIONS
• Seasonal decorations, such as pumpkins, squash, gourds, corn stalks and other organsics should be bagged and placed inside your gray trash cart.

YARD WASTE DISPOSAL
• The curbside yard waste collection program runs from March 13-December 15, 2023.
• Yard waste is grass clippings, weeds, leaves, and trimmings from bushes.
• Place yard waste in paper landscape bags or in your own 20-32 gallon container. Containers must be clearly marked with a yard waste sticker. Free yard waste stickers are available at all Dearborn libraries and the Dearborn Administrative Center.
• Yard waste bags or containers must not be heavier than 60 pounds.
• Do not use plastic bags or cardboard boxes. These will not be collected.
• Dirt, sod, logs, limbs, and decor are not yard waste.

BULK ITEMS
• Bulk items are collected on your regular trash day at no additional charge.
• Acceptable large, bulky items include most household appliances and furniture, including mattresses, residential freezers and refrigerators, couches, and chairs. Doors must be removed from refrigerators and freezers.
• Smaller material that does not fit in your trash cart must be bagged or bundled.

SPECIAL PICK-UPS
Residents concerned about an excessive set-out or debris not accepted by standard curbside service should contact the City’s Sanitation Division at 943-2150 to schedule a special pick up. Special pickups are City-provided services and available Monday-Friday for a fee starting at $60.

FREE MONTHLY DISPOSAL DAY
The DPW Yard (2951 Greenfield) is open 8 am-1 pm the third Saturday of each month (except for holidays) for residents to bring items not picked up at the curb. Hazardous materials are not allowed. Restrictions apply. For information, call 943-2433.

HOUSEHOLD HAZARDOUS WASTE DISPOSAL
Wayne County may host household hazardous waste drop-off days in 2022. For information, call 734-326-3936. Never place hazardous material in your cart or at the curb!

2023 HOLIDAY TRASH COLLECTION DELAYS
In 2023, there will be no trash collection on the following holidays, and the rest of that week’s collection will be one day later than usual. This will occur the week of Memorial Day, Independence Day, Labor Day, Thanksgiving, Christmas and New Year’s Day.

PUBLIC SERVICE DAYS

KEEPS PARKED VEHICLES OFF THE STREETS 8 am-4 pm EVERY TRASH DAY EARLY MARCH – MID-DECEMBER.
Public Service Days occur on trash days in your neighborhood beginning March 6 and lasting until December 15, 2023. Public Service Days allow the City to provide services like trash collection, street sweeping, tree trimming, sewer maintenance and loose leaf collection in a safe, effective manner.

WHAT ARE MY RESPONSIBILITIES ON PUBLIC SERVICE DAYS?
• You must keep your parked vehicles off the street from 8 am to 4 pm on your neighborhood’s Public Service Days, even if your trash has already been picked up.
• You could be ticketed if you park on the street during Public Service Days in your neighborhood. Your vehicle may also be subjected to towing.
• You also must keep your trash cans, yard waste containers and recycling carts off the street during Public Service Days, and throughout the year.

In addition, it is your responsibility not to park on the street in other City neighborhoods during their Public Service Days. Public Service Days are not enforced on weeks in which holidays affect the trash collection schedule.

PUBLIC SERVICE DAY/ TRASH DAY SECTIONS

October 23, 2023: Loose Leaf Collection Begins-Monday Trash District
December 1, 2023: Loose Leaf Collection Ends-Friday Trash District
Visit www.cityofdearborn.org or call 943-2150. For parking issues, call 943-2294.
GRASS AND LANDSCAPING
• Keep grass and weeds cut to six inches or less. This includes trimming along all fence and property lines and easements.
• Trim trees, bushes and landscaping so that they are not in the way of people walking on the sidewalk or vehicles driving in the street.
• Gardens for vegetables and fruits must be in the back yard, not the front yard.
• Vegetables and fruit cannot be left on the ground.

KEEP YOUR PROPERTY FREE OF “JUNK”
• Make sure not to store “junk,” like cars parts, motors, appliances, used wood, bricks, or discarded furniture on your lawn or porch.
• Recreational vehicles, trailers, and boats must not be stored on your property.
• Parking on the grass is not allowed.

NO LITTER ALLOWED
• Please pick up litter on your property, even if it doesn’t belong to you. Pitch in to keep our city beautiful.

SIDEWALKS
• Make sure your sidewalks are clear of snow and ice in the winter, and leaves in the fall.
• Don’t park your vehicles across sidewalks.

REPORT GRAFFITI
• The City addresses unsightly graffiti promptly. Call Neighborhood Services at 943-2150.

BUILDING PERMITS
• Check with the Economic Development Department at 943-2150 to see if your home construction project requires a building permit.
• Permits and inspections ensure that safety is maintained and building codes are followed. Construction work done properly means neighborhood standards are preserved.
• If you believe construction work is taking place without a permit, call 943-2150 during business hours, or 943-3030 at other times.

RODENT CONTROL
• Keep your yard clean. Store trash properly, in trash carts with lids closed.
• Remove and dispose of animal feces daily.
• Eliminate all food sources on your property, including pet food and bird seed.
• Pick up and remove daily any fruit from trees, bushes or vines that fall to the ground, and remove vegetables from gardens as soon as they ripen.
• Woodpiles, when stored on an unpaved surface, should not be less than 9 inches from the ground.
• Keep grass cut below six inches in height, remove weeds, and keep low hanging trees and bushes trimmed up off the ground at least 12 inches to prevent rats from hiding there.
• Seal cracks or breaks in foundations, and repair holes around pipes, screen doors, windows, vents and other openings.

• Make garages and sheds inaccessible to rodents. Use weather stripping. Keep cloth, boxes, and other items conducive to harborage off the floor.
• Do not use commercially available rodenticides. Such poisons are to be handled by professionals only.

TREE PRESERVATION
Dearborn has been designated as a Tree City USA for 34 years, and we know residents want to keep it that way. So property owners are advised that they need to contact the city before removing a tree that is at least four feet tall and 16” in diameter. Removing or relocating a tree of that size or larger without city approval is illegal and is punishable by a $500 fine and up to 93 days in jail as a misdemeanor. Fill out a Tree Removal Permit Application at www.cityofdearborn.org or at the Permit Office at the Dearborn Administrative Center, 16901 Michigan Avenue. The application and permit are free. The city will assess the tree or trees in question and work with the homeowner.
Resident and contractors are prohibited from trimming and removing city trees from the easements.
For more information, call (313) 943-2150.
To order a tree, call (313) 943-2107.

CITY SERVICES: 33.9¢ of your tax dollar

The City of Dearborn uses property tax dollars to provide high quality and comprehensive services to residents and businesses. Those City services are offered using just 33.9 cents of every tax dollar the City collects in property taxes. (The federally-mandated combined sewer overflow (CSO) debt millage equates to 7.9 cents of every dollar and is outlined separately here.) The other 66.1 cents of every tax dollar the City collects in property taxes is directed to other public agencies, like Wayne County and the public schools. Although the City is the collecting agent, it has no authority over how the 66.1 cents is used by other public agencies.

“It’s been amazing in my lifetime to witness the history that has been made in Dearborn, with its increasing diversity and thriving businesses. The Dearborn Historical Museum plays a pivotal role in not only preserving this history, but also engaging the community with educational and cultural programming about Dearborn’s past. We look forward to continuing this impactful work this year and beyond.”

-Jack Tate, Chief Curator, Dearborn Historical Museum
