

**CITY OF DEARBORN
PUBLIC NOTICE
Community Development Block Grant – Disaster Recovery (CDBG-DR)**

Federal allocations for 2020 and 2021 Disasters were all made out of Public Law 117-43. Federal Register 87 FR 6364 ('2020 CDBG-DR Notice) was published February 3, 2022, combining allocation specific requirements for 2020 allocations and consolidated requirements.

The City of Dearborn received a 2021 CDBG-DR grant amount of \$16,332,000 to address unmet disaster needs of the 2021 flooding disaster within the HUD-identified Most Impacted and Distressed (MID) areas which are city-wide in Dearborn. The administrative cap is 5% of the total grant award which is \$816,600 and the planning cap is 15% of the total grant award which is \$2,449,800. A total of \$2,130,000 must be utilized for mitigation efforts which leaves a remaining balance of \$10,935,600 for disaster projects.

This notice is to receive public comments on the proposed use of the CDBG-DR administration activities. Below list all proposed uses of funds for program administrative costs that may be incurred prior to submitting a CDBG-DR Public Action Plan and include the amount budgeted for program administrative costs.
