

Health Reimbursement Account (HRA) Debit Card Update

The initial communication indicated the Health Reimbursement Account (HRA) debit cards were to be received prior to January 1, 2023. Due to unforeseen circumstances with holiday mailing and inclement weather in Buffalo, New York, where P&A is located, you should receive your debit cards the week of January 9, 2023.

If you have eligible medical expenses that need to be paid for prior to receiving your debit card:

- Pay the provider at time of service
- Be sure to get a receipt
- Contact P&A to submit your receipt for reimbursement

The contact information for P&A is 716-852-2611.

Thank you for your continued understanding and apologize for any inconvenience this may cause.

The City of Dearborn continues its commitment to provide you and your families with the necessary information needed to assist in this process.
