CITY ENGINEER

ALAN P. LOEBACH, P.E.
ASST. CITY ENGINEER

March 16, 2020

Dear Resident,

Because of Coronavirus (Covid-19) pandemic, we are cancelling the Town Hall meeting which is scheduled in the auditorium of O.L. Smith Middle School, located at 23851 Yale Street on Wednesday, March 25, 2020 at 6:00 p.m. for the Park and Nona Reconstruction Project. The City's Staff and the selected contractor were scheduled to present facts about this special project, including a tentative construction schedule. This decision was taken to protect individuals' health.

Instead of this Town Hall meeting, we are providing attached project related information which is also available on the City's website at www.cityofdearborn.org. If you have any questions, please call my office at (313) 943-2145.

Yours truly,

M. Yunus Patel
City Engineer
