FOR MORE INFORMATION VISIT DEARBORNRECREATIONANDPARKS.COM
Dear Friends,

Now that the warmer weather has arrived, a variety of outdoor program options are available through the Dearborn Parks and Recreation Department to help you maintain a healthy lifestyle and enjoy quality leisure-time and recreational activities.

For outdoor sports enthusiasts, tennis courts, sand volleyball courts, baseball/softball diamonds, soccer fields and walking/jogging tracks can be found in selected city parks. (see page 19)

Swimming is a popular summer activity in Dearborn, and the City has a pair of community outdoor pools and three neighborhood pools conveniently located throughout the city (see pages 8 and 9).

If you prefer an indoor summer activity, skating will be available at the Dearborn Ice Skating Center and pick-up basketball and aerobics classes will be offered at the Ford Community & Performing Arts Center (see page 11).

Parents with young children may want to consider either of our two summer theater programs—both conducted at the Ford Community & Performing Arts Center—or our Supervised Summer Playground Program, which is conducted in selected city parks. (see page 4).

Looking for a low-cost family vacation? Camp Dearborn offers a variety of overnight camping options and amenities that include a half-mile of sandy beach, swimming lake, picnic areas, fishing and athletic fields (see pages 12 and 13).

While at Camp Dearborn, enjoy a round of golf at Mystic Creek, the city-managed and operated course on the grounds of Camp Dearborn. Mystic Creek features three, nine-hole championship courses, which are sure to test the skills of any golfer (see page 13). And finally, make plans to join us for Homecoming, August 5th-7th.

This is a time-honored Dearborn tradition, featuring food, live entertainment, carnival rides for the kids, fireworks and the opportunity to renew old friendships (see page 5).

I encourage you to take full advantage of the Dearborn Parks and Recreation Department’s programs and facilities, and wish you an enjoyable summer.

Sincerely,

Sean Fletcher
Director
Dearborn Parks and Recreation Department

**DOG PARK**

Dearborn’s first “dog park,” a 2.3-acre facility, is located south of the Henry Ford Centennial Library and just north of the railroad tracks.
This unique pooch park is divided into two areas—one for larger animals and the other for smaller ones—and each is equipped with benches, dog waste bags and waste disposal stations, water access and unique “dog agility” equipment, which includes adjustable jump bars, elevated agility walk platforms, walk ramps, hurdles, teeter totters and barrels.
Each area is enclosed with a fence and accessible only through a gate, which will restrict entry to dog owners who have paid a fee for using the facility.
Use of the dog park requires a permit, available at the City Clerk’s Office for $35. Owners seeking a permit must supply (1) proof of Dearborn residency, (2) a copy of the dog’s license, (3) documentation that the dog has been neutered/spayed, (4) proof of current vaccinations, and (5) a current photograph of the dog.
The dog park is open year-round.
