

## **Recreation Commission Southend Parks & Facilities Tour**

Next Tuesday, August 3rd, the Recreation Commission will be taking a tour of the South End of Dearborn parks and facilities for current appointed Commissioners. We will be transporting individuals from the south parking lot of the Ford Community Performing Arts Center, starting at 6 p.m., in City SMART buses.

The itinerary will include visits to Lapeer Park, Morningside Park, Canterbury Park, and possible parcels of land that have been discussed for future splash pad locations.
