

MOVING PERMIT

A Moving Permit is required for moving a building or structure from its location on a parcel of land to some other location with or without passing over or going upon a public street or way.

In addition to your application, the following is also required:

- A \$15,000 deposit must be paid to the Department of Public Works as a cash bond to cover any damage to public property on or along proposed route incurred as a result of moving operations**

- City Council approval is required for moving buildings into the City**

- Deed or other evidence of ownership may be required before a permit will be issued**

Separate applications are required for separate premises

The following inspections are required for a Moving Permit:

- #212 Site barricaded prior to start of work
- #215 Open hole inspection all debris off site
- #251 Final inspection land restored

A Plumbing Permit and a Sewer Permit may also be required to complete your project.
